

# M2HB

MANUFACTURED BY OHIO ORDNANCE WORKS, INC.

The M2HB .50 caliber is one of the specialties of Ohio Ordnance Works, Inc. (OOW). Constructed to exceed military expectations and quality standards, each weapon is built with individualized attention to detail and multi-level inspection of quality.

Since the Second World War, the United States has had versions of the M2 in service in a variety of roles including aircraft guns, anti-aircraft defensive guns, tripod-mounted infantry guns and dual purpose anti-aircraft and anti-vehicular weapons.

The M2HB will outperform all your current heavy weight machine gun, anti-vehicle, and force-protection needs.

Included Accessories

# M2HB QCB (Quick Change Barrel)

MANUFACTURED BY OHIO ORDNANCE WORKS, INC.

The M2HB/QCB .50 caliber is one of the specialties of Ohio Ordnance Works, Inc. (OOW). Constructed to exceed military expectations and quality standards, each weapon is built with individualized attention to detail and multi-level inspection of quality. From magnetized crack and weld inspection, to final function and finish, OOW guarantees the M2 QCB (Quick Change Barrel) will outperform all your current heavy weight machine gun, anti-vehicle, and force-protection needs.

While the M2 QCB offers the same protection and capabilities that the classic M2 Heavy Barrel offers with cyclic rate (450-550 rpm), effective range (7,400 yards), and ease of maintenance. it also offers the users reduced

barrel change time. The system's preset head space settings can mean precious rapid response time under fire, once the barrel reaches "hot-gun" status.
