Combining the best of Browning's ideas with today's tactical considerations and cutting edge engineering, the team here at Ohio Ordnance Works, Inc. brings you the most versatile .30-06 weapon system available today. OOW created a 30 round magazine for the HCAR with bolt hold open functionality, and combined with a short throw safety selector, The HCAR brings the spirit of a workhouse from two World Wars into the 21st century. With the hard hitting .30-06 cartridge, the HCAR is well suited to long distance marksmanship as well as engaging personnel and vehicles at close distance. The HCAR is available in 16" and 20" barrel lengths to fit your needs.
